

Port Moody Rock & Gem Club Quarterly News

The Planet Earth Post

2009 Rate Card

The Planet Earth Post is the quarterly publication of the Port Moody Rock and Gem Club. It contains articles about the club activities, lapidary news, geological and other earth science articles.

Our full colour newsletter is available on-line through the club website. Members and people on our contact list are notified by email when the next edition is available. As of October 2008, we have over 250 people on our contact list.

We distribute black & white hardcopies to Vancouver area rock clubs, suppliers, the Geological Society and the BC Federation of Rock Clubs as well as in our Kyle Center Workshop. We print about 30 hardcopies.

The Planet Earth Post is an excellent way to advertise to people in the lapidary world in the Lower Mainland.

Edition and Distribution Dates:

Winter - early January

Spring - late March (Society Show edition)

Summer - early July

Fall - early October (PMRC Show edition)

Submissions are requested no later than 1 month before distribution and will gleefully be accepted earlier.

Please contact Rose Kapp (editor) if you wish to contribute an article or place an ad.
